

Experience Letter - TechBull Infotech

To Whom It May Concern,

It is our pleasure to certify that Rohan Savani was an integral part of TechBull Infotech, serving as a Co-Founder from January 2022 to December 2022. During his time with us, Rohan played a crucial role in shaping the company's vision and operations, contributing significantly to its growth and success.

As a Co-Founder, Rohan managed multiple responsibilities, including app uploads, digital marketing, and advertising campaigns. He played a key role in overseeing Google Ad Manager, where he successfully executed marketing campaigns with a budget of up to \$10,000. His strategic approach and data-driven decision-making contributed to achieving a peak monthly revenue of \$28,000.

Beyond his technical and marketing expertise, Rohan demonstrated exceptional leadership, problem-solving abilities, and business acumen. His ability to analyze market trends and optimize ad performance helped drive user engagement and revenue. He was also instrumental in collaborating with developers, designers, and advertisers to ensure seamless product launches and marketing effectiveness.

Rohan has been a valuable asset to our organization, and his contributions have left a lasting impact. We have no doubt that his entrepreneurial mindset, strategic thinking, and dedication will lead him to continued success in his future endeavors.

We wish him the very best in all his professional pursuits.

Sincerely,

Chintan Vasoya (techullinfotech@gmail.com)
