

## Experience Letter

### Gujarat Technological University (Tutor)

To Whom It May Concern,

This is to certify that Rohan Savani worked as a Tutor at Gujarat Technological University from October 2023 to November 2023. During his time with us, Rohan demonstrated exceptional teaching abilities and a deep understanding of Android Development.

In his role, Rohan provided students with hands-on guidance in UI/UX design, backend integration, and mobile app development best practices. He conducted structured learning sessions, ensuring that students gained both theoretical knowledge and practical coding experience. His mentorship helped students enhance their problem-solving skills, debugging techniques, and application development capabilities.

Rohan's dedication to his students was evident through his patient teaching style, clear explanations, and enthusiasm for technology. He created an engaging learning environment, encouraging students to explore new ideas, develop creative solutions, and gain confidence in their technical abilities.

His commitment to education and passion for sharing knowledge made a positive impact on his students. We sincerely appreciate his contributions and wish him great success in his future endeavors.

Sincerely,  
Hiral Desai  
Head of Department
